

# LIGHT516

From the gospel of Matthew “Let your light shine before men, that they may see your good deeds and praise your Father in Heaven.”

Matthew 5:16

## PRAYER WALKING

To walk while praying...That would seem to be a pretty easy definition. However, it is so much more than that! During this portion of our LIGHT516 experience, we will watch a video, read about and discuss what a true Prayer Walk is. Then we will go for our first walk!

We will drive to several locations around town and spend about 20 minutes putting our new knowledge into action. With new eyes and open hearts, we will seek the Father's heart as the Spirit leads us to pray for and about our community, all in the name of Jesus.

That's it! Sounds pretty simple, doesn't it? We will then return to church to hear about--and learn from--each others experiences.

## LIGHT516 Information:

Light 516 is the name of a new group that Pastor Jim and I are forming at St. John. The purpose of this group will be to encourage its members to serve the community of Elyria and Lorain County. Our hope is that those who do not know Jesus will see our good deeds and praise our Heavenly Father and seek after Jesus.

The process will involve building a personal testimony--to be ready to give an answer for the hope that we have in Jesus (1 Peter 3:15)--getting to know our community in ways we would never have thought of before, understanding how to witness of the faith we have in Jesus Christ, serving our community through a specific event and encouraging our entire congregation to get involved.

We will be praying together, reading, discussing, serving, and growing in our relationship with Jesus and each other as a natural part of being in this group. Our hope is that the majority of St. John members will be a part of this ministry. If you would like to talk about getting involved in this group, give me a call at church or on my cell phone (330-492-2583).
